

Free for All - Vocabulary Practice

Write the vocabulary term that matches the given definition on the line below.

1. The timing framework a musician creates so they know where in the piece to place given sounds.

2. A selection of notes, sorted by ascending pitch across an octave, grouped using a pattern the notes follow as they ascend (either W/W/H/W/W/H or W/H/W/W/H/W/W)

3. The set of five horizontal lines and four spaces where all of the pieces of a score (notes, rests, signatures, etc.) are organized

Select the letter option that matches the definition written.

4. The distance between a given note and the next highest/lowest version of the same note.

- A. Octave
- B. Clef
- C. Time Signature

5. A marker that goes on the top of two of the same note to indicate a musician should hold the note for the combined note value of both notes.

- A. Key
- B. Tie
- C. Double Bar Line

6. True or false: Sharps and flats can appear in the same score.

A. True

B. False

7. Which option matches the definition of a time signature?

A. When multiple sounds are played at the same time and work together by building off of each other to make one larger sound.

B. A variation of a note that should be played a half step above (sharps) or below (flats) the note the sharp or flat symbol is attached to.

C. A symbol assigned to the beginning of a staff that lets a musician know how many beats are in a measure of a given score, and what note represents one beat.

8. Check off the definitions you're confident you know.
